

## EXHIBITION AGREEMENT

1. **NAME OF THE EXHIBITION:** 26th International Mining Congress and Exhibition of TURKEY
2. **CONTRACTORS:** Organizer of the Exhibition UCTEA Chamber of Mining Engineers (here after CHAMBER) and participant Companies (hereafter COMPANY).
3. **LOCATION and DATE:** Granada Luxury Otel Belek/Antalya, April 16-19 2019
4. **Exhibition order**
  - 4.1 The outlines of the exhibition area will be provided by the CHAMBER. COMPANY will exhibit its products and services in the areas allocated to them in accordance with the terms of this contract. CHAMBER has the right to change the general layout of the exhibition area when it is necessary. Please find attached the outline of the exhibition area. The required information related to the product or service have to be provided by the COMPANY's booth attendant.
  - 4.2 The Company, which rents the neighboring booth, may be changed due to the arbitrary reason. For these reasons, the other COMPANY cannot regard the CHAMBER as responsible and cannot make claim on change.
  - 4.3 The CHAMBER is not responsible for the fact that the material cannot be moved to the booth due to the size, capacity of the elevator (**Maximum capacity: 1600 kg., height: 219 cm. from top to floor, width: 138 cm, front to back: 239 cm, doors width : 130 cm, doors height: 210 cm**) and pass corridors are not available. The COMPANY is responsible for the damage caused by exceeding the carrying capacity of the elevator. The COMPANY cannot show the CHAMBER as buyer for any product shipped or send to the exhibition area. The COMPANY cannot claim compensation from the CHAMBER for reasons such as incomplete and incorrect deliveries accepted by the HOTEL, damaged materials, wrong storage of the any material by the HOTEL.
  - 4.4 **Standard Booth:** The system that is rented to the COMPANY during the congress consisting of the melamine coated chipboard panel and aluminum profiles which defines the boundaries of the booth having numbers of facades which is predetermined in the project. There are two chairs for each of the booth, one desk, one trash can and one socket (220 W) included to the booth system. Extra services and equipment requests by COMPANY before the date April 1, 2019 will be provided for the fee if it is approved by the CHAMBER. Since the standard booths have no carrying property, it is not allowed to drill or nail the panels and stick the advertising material on it. Only light weighted pictures are allowed to put it on and the use of the double-sided tape is demanded. The products to be exhibited should be designed to remain in the airspace belonging to the booth area.
  - 4.5 **Special Booth:** The COMPANY must design the special booths so as to remain within its own area and airfield. The sizes of the booths will be determined by CHAMBER and cannot be carried to the neighboring booths and corridors, cannot be pierced and anchored. Only the double-sided tapes can be used for the carpets and similar materials to be affixed to the
