IMCET 2019

Türkiye 26. Uluslararası Madencilik Kongresi ve Sergisi

26th International Mining Congress and Exhibition of Turkey

Invitation to Congress

Dear colleagues, researchers and industry representatives;

We are delighted to invite you to the 26th International Mining Congress and Exhibition (IMCET 2019) to be held from 16-19 April 2019.

The first IMCET was held in 1969 and we celebrate the 50th anniversary of the Congress. With half a century of experience, IMCET 2019 will have a particular meaning to us. We invite you to share this privilege together.

IMCET, which is Turkey's one of the largest mining congresses, gathers the experts, scientists, industry from all around the world and creates a platform to enable productive discussions related to the latest technological developments, production methods in the mining industry. In addition, the exhibition, which will be organized during the Congress, will include the world's leading equipment manufacturers.

During the Congress; issues related to the mining, provided solutions, scientific and technical aspects of sustainability of the mining operations, and their social impacts will be overviewed. In addition, the recent developments in the mining industry will be exhibited and social, cultural events will be organized. In this context, beyond the discussion of scientific and technical issues, the main objective of the congress is to create new opportunities on business developments.

For more information about IMCET 2019 please visit www.imcet.org.tr

We look forward to seeing you at IMCET 2019.

Dr. A. Hakan BENZER
Congress Chairman

Ayhan YÜKSEL
Head of Chamber

Language

The official languages of the congress are English and Turkish. Simultaneous translation (English-Turkish and Turkish-English) will be provided during the Congress for selected papers.

Call for Papers

Authors who would like to attend the Congress with a paper should submit the full paper before January 21, 2019 through "Online Paper Submission System" at the Congress website.

The accepted full papers which will be published in the Congress' e- book will be presented as oral or poster in accordance with the referees' opinions. The accepted full papers will be recorded to USBs and a copy will be given to all participants.

Also, selected papers will be published in a special issue of "Scientific Journal of Mining".

Objectives

International Mining Congress and Exhibition of Turkey, for half a century, is one of the greatest mining events of Turkey, which is organized every two years in a stable manner, from the mining linked from various fields, academics representing many countries, engineers, consultants, managers, politicians, investors, industry experts and suppliers, bringing together a broad participation of the platform.

Both traditional mining subject and issues and scientific and technical perspectives of sustainability of the mining will be handled in this congress. In addition, new products, equipment and technological developments of today will be exhibited and social and cultural events will be organized.

In this context, beyond the discussion of scientific and technical issues, the basic aim of the congress is to: as well as the transfer of the developments in theory and practice to the participants, creating opportunities for business development and initiatives among the delegates from different sectors of the industry.

Congress Topics

Mining Exploration and Activities
Mineral and Metallurgical Processing
Industrial Minerals and Aggregate Production
Coal and Energy
Impacts of Mining Activities on Environment and Community
Health and Safety
